

BODEGAS FRONTONIO

The Garage Wine

El Jardín de las Iguales

MACABEO 2017

« Bringing back a valley's pride »

DESCRIPTION

Every wine grows from the soil and *El Jardín de las Iguales'* is truly one of a kind. *Bodegas Frontonio* was given the privilege to acquire such a precious piece of land. These vines are so sensitive that they get to connect with their caretaker. We have so decided to guide our actions based on respect and comprehension. At the end of the day, people come and go, but the land remains.

Growing area: Slate and limestone

Altitude: 700m

Inclination: 30% on average

Age of vines: 120 years

Harvest

Sept. 7th. Hand-picking in 18 kg bins

Ageing

12 months in foudre; final ageing in cement barrels

TASTING NOTES

Brazil lime yellow in colour where aromas of mango, fennel and rose pepper melt with a hint of smoke. The palate is precise and *volant*, elegantly acid and combined with a velvety texture and a progressive length.

INFORMATION

Winery

Epilense de Vinos y Viñedos
